Presenting **FINGERS C-Vision-5N PC Cabinet** - Engineered for peak performance and designed to impress. With toughened glass panels on the left and front, it offers a clear, premium panoramic view of your internal components and the five bundled mesmerizing fans. Enjoy seamless efficiency with advanced cooling and customizable ARGB lighting that enhances both style and substance. Built to last and crafted for those who demand more, the C-Vision-5N is your gateway to a superior computing experience.

Unmatched Cooling with Style

C-Vision-5N offers full control over the fan lighting through the ARGB controller or your motherboard's RGB utility, providing the ultimate customization experience. This setup not only delivers superior cooling to keep your system at optimal temperatures but also illuminates your rig with a stunning display of colours.

See the Power. Feel the Performance!

Designed for those who demand both power and precision, FINGERS C-Vision-5N PC cabinet isn't just about looks; it's built to keep your system cool and efficient, no matter how intense the action gets. This Micro ATX form factor case offers an unobstructed view of your high-performance components and mesmerising ARGB fans, showcasing them in all their glory.

**Toughened glass
panels on the left
and front sides**

Mesh Design

C-Vision-5N
FASHION PC CASE

Dual Chamber Design

One chamber is dedicated to multiple fans, cable management, and storage drives for optimal performance, while the second chamber keeps additional storage drives and PSU neatly tucked away, ensuring a clean and clutter-free setup.

**Organize your
build with precision**

Optimized for Connectivity and Productivity

Equipped with multiple ports, this Micro-ATX Case offers the connectivity you need to stay ahead. Its thoughtful design ensures that all your peripherals are within easy reach, making multitasking a breeze.

**1 x USB 3.0, 1 x USB 2.0 and
Earphone Jack (HD Audio & Mic)**

**1 drive bay for HDD and
2 bays for a 2.5-inch SSD[^]**

C-Vision-5N
FASHION PC CASE

Built for Endurance and Elegance

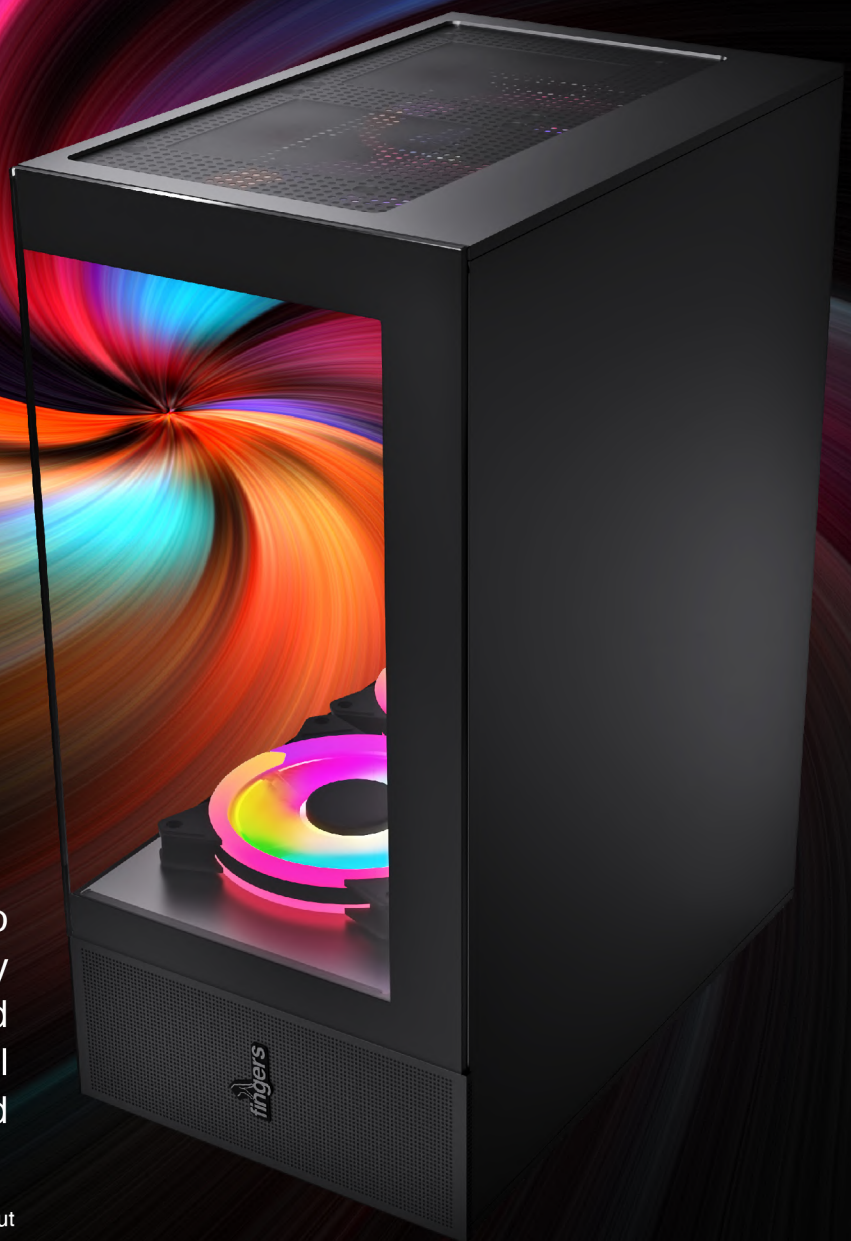

Constructed with a robust chassis and designed for durability, the C-Vision-5N is built to withstand the rigors of extended use while maintaining its sleek appearance.

Easy & Quick to Assemble

Need for Speed?

Exclusively crafted and designed to integrate all components internally with ease, it makes setup quick and hassle-free. Assembling can be real fun (literally) when it's this easy and efficient.

(Caution: We recommend not assembling the PC cabinet without adequate knowledge or guidance.)
